✓ IGT = "In Grain Texturing" surface treatment.

IGT is our premium surface texturing option offering 3D wood graining and the true feel of real hardwood flooring. The IGT Surface texturing traces directly over the plank graining, character and knots providing the most authentic appearance in the industry.

✓ DVB - 4-Side Deep V-Bevel.

Our 4-sided deep beveling option accentuates each plank and creates the most authentic appearance to hardwood.

✓ **EnduraTuff Finish** - Our 20mil commercially rated wear layer that is designed for high traffic residential and commercial applications. The 20mil wear layer comes with a Lifetime Residential and 15 Year Commercial warranty.

✓ AquaBlok - A stabilized rigid core that is 100% WATER PROOF.

✓ **NoiseBlok** - A quiet & comfortable 1.5mm thermo-acoustical underpadding designed to minimize noise and provide resiliency to the foot, knees and joints. STC Rating = 67, IIC Rating = 70.

✓ Innovative 3L TripleLock & CLICK4U Locking System.

A patented & technologically advanced ultra-strong locking system to withstand heavy use.

✓ Pet & Kid Friendly!

Resistant to spills and stains caused by accidents.

✓ Environmentally Friendly!

Formaldehyde & Phthalate Free. Our Flooring is FloorScore® certified for Indoor Air Quality. This makes your living space a healthy place for your family.

About Photo

Product photos and website images are to offer an impression and examples of the appearance of the floor. The color, grain and character variations shown may vary from actual flooring due to the limitations in the reproduction of photography or the monitor resolutions.
